

Intern

InSight Telepsychiatry – Finance Team

Position Summary

InSight Telepsychiatry is looking for an ambitious and entrepreneurially-minded individual who has an interest in working with a rapidly growing telehealth organization. InSight's finance intern will collaborate with a national team of colleagues and gain valuable work experience in finance analysis, modeling and forecasting. This position is paid and course credit is available.

Organization Overview

InSight is the leading national telepsychiatry service provider organization with a mission to increase access to quality behavioral health care through telehealth. InSight's behavioral health providers bring care into any setting on an on-demand or scheduled basis. With over 18 years of telepsychiatry experience and an active footprint in telepsychiatry-related advocacy, InSight is recognized as an industry thought-leader. InSight is the telemedicine arm of the CFG Health Network, a behavioral health organization that delivers onsite services across the spectrum of care. These roots in onsite care influence InSight's approach to appropriate, quality services delivered through telehealth. www.InSightTelepsychiatry.com

Job Responsibilities

- Review partner contracts for accuracy and consistency
- Draft and report on the viability, stability and profitability of projects
- Assist with consolidating financial forecasts and explaining associated variances to the budget
