

# Summer Internship

## Payer and Primary Practice Relations

### Position summary

InSight Telepsychiatry is looking for ambitious and entrepreneurially-minded individuals who have an interest in working with a rapidly growing telehealth organization. InSight's interns will collaborate with a national team of colleagues and gain valuable work experience. Interns will work on projects that will vary based on candidate skills and department needs. This position is paid and course credit is available.

### Organization overview

InSight is the leading national telepsychiatry service provider organization with a mission to increase access to quality behavioral health care through telehealth. InSight's behavioral health providers bring care into any setting on an on-demand or scheduled basis. With over 18 years of telepsychiatry experience and an active footprint in telepsychiatry-related advocacy, InSight is recognized as an industry thought-leader. ### Responsibilities

- Research provider referral opportunities for colleges in seven different states
- Research upcoming conferences related to payer and practice relations
- Email outreach to Mental Health America Practices
- Build contact lists and complete initial outreach for new markets
- Track opportunities in a data management system
- Other administrative duties as assigned

### Ideal Candidate

- Experience in healthcare, behavioral health, public health or related field
- Strong verbal and written communication skills
- Experience with database management systems such as Salesforce
- Comfortable using collaboration tools to work with remote team members
- Organization and prioritization skills

## Logistics

- Duration: June to August (30-35 hours per week)
- Location: Lynchburg, VA
- Available for: recent graduates and rising college juniors or seniors

Please submit a resume and customized cover letter to [recruiting@in-sight.net](mailto:recruiting@in-sight.net)
