

# Program Coordinator

InSight Telepsychiatry – Scheduled Services

## Position Summary

InSight Telepsychiatry is seeking a program coordinator for our scheduled services division to support partner relations and manage implementations. Scheduled service programs serve community mental health, primary care and other behavioral health care organizations by integrating InSight's team of telepsychiatry providers. This fast-paced position is an excellent opportunity for an individual who has interest in health care administration, project management, mental health care and telemedicine. The lead program coordinator will report to the scheduled services operations manager and connect regularly with a national team of colleagues and partner organizations located all over the United States.

## Organization Overview

InSight is the leading national telepsychiatry service provider organization with a mission to transform access to quality behavioral health care through innovative applications of technology. InSight has two decades of experience with telepsychiatry, and serves hundreds of organizations across the country with its on-demand, scheduled, connected services and Inpathy divisions. InSight is uniquely positioned to offer scalable telepsychiatry services in settings across the continuum of care. InSight has a diverse provider team, a robust internal infrastructure and a history of adapting its programs to fit the needs of a variety of different settings and populations.
