

# TELEPSYCHIATRIST CLINICIAN

InSight + Regroup – On-Demand Services

## Position Summary

InSight + Regroup is hiring psychiatrists and psychiatric nurse practitioners for on-demand telepsychiatry positions in multiple states. InSight + Regroup specializes in providing on-demand evaluations and care to its partners. On-demand telepsychiatry clinicians are able to immerse themselves in the fast-paced emergency department or crisis center setting from the comfort of their own home. On-demand telepsychiatry clinicians collaborate with the onsite professionals to provide comprehensive care that focuses on determining appropriate disposition.

## Organization Overview

InSight + Regroup is the leading and largest telepsychiatry service provider in the US with a mission to transform access to quality behavioral health care. InSight + Regroup serves hundreds of organizations and individuals in various settings across the continuum of care with its on-demand, scheduled services and direct-to-consumer (Inpathy) divisions. Given its size, diversity of services and extensive experience and expertise, InSight + Regroup is uniquely positioned to enable scalable telepsychiatry programs across the care continuum. As an industry thought leader, InSight + Regroup has helped shape the field, define the standard of care and advocate for improved telepsychiatry-friendly regulations.
