

Teletherapy Serving Patients at Home

InSight + Regroup

Position Summary

Work from home while serving patients accessing care from their homes or other private locations. Provide behavioral care services through a HIPAA-compliant online system.

Organizational Overview

InSight + Regroup is the leading and largest telepsychiatry service provider in the US with a mission to transform access to quality behavioral health care. InSight + Regroup serves hundreds of organizations and individuals in various settings across the continuum of care with its on-demand, scheduled services and direct-to-consumer (Inpathy) divisions. Given its size, diversity of services and extensive experience and expertise, InSight + Regroup is uniquely positioned to enable scalable telepsychiatry programs across the care continuum. As an industry thought leader, InSight + Regroup has helped shape the field, define the standard of care and advocate for improved telepsychiatry-friendly regulations.
